

Poemetric Slide Against Psychological Suicide

The Case for Truth Questionnaire (Fill in love with blood-red ink)

“What is truth?” (Don't wanna hear it)

What defines truth? Is it (keep your mouth shut...get off the stage)

Distant? Should it always change over time, dependent on feelings which change over time?

Could the knowledge of an infinite being be out of reach of the finite human mind

Or is it right in front of us this whole time? Truth Thirst of a Revelation, yet

Suppress the truth to live however way we want? - Romans One Redefined

Maybe that's the truth. Is truth subjective? Relative? Absolute

Zero objective? Are you absolutely certain that there is no absolute truth? (on afterlife?)

Doesn't sound right, according to what cold standard? FROZEN

Without stealing morality from what is already God-given -

Lying lips, bitterness, envy, unfaithful-lust (data stored within)

American greed (how big churches bleed)

Do good to be seen (self-glorification)

Religious robbery: to steal praise from God; put ourselves on full display; earn my way (from purgatory to Nirvana)

Guilt-in “con-science” = with + knowledge (Evolving-I got G.D.- Guilt Disorder)

I know - that was me tho the oldie still trying to break me-why am I wandering? (God save me)
